SHAKER *Cabinets*

Upgrade your space with our premium plywood cabinets, built for lasting durability and timeless style. Crafted from 5/8" thick plywood, our cabinets offer superior strength and stability compared to particleboard alternatives.

The shaker-style doors and drawers provide a clean, versatile look that complements any interior, while slow-close hinges and slides ensure smooth, quiet operation. Available in grey, white, and maple finishes, our cabinets bring elegance and functionality to kitchens and bathrooms alike. Designed for longevity and everyday convenience, our cabinetry is the perfect blend of quality, beauty, and performance.

Acrylic COUNTERTOPS

Our acrylic solid surface countertops offer the perfect blend of durability, style, and versatility. This material features non-conspicuous seams, a non-porous performance, and resists stains, moisture, and bacteria, making it an ideal choice for kitchens and bathrooms. Similar to Corian®, our acrylic surfaces are easy to maintain, available in a variety of modern colors, and are completely repairable—scratches and damage can be easily buffed out to restore their original beauty. Any size project, big or small, our solid surface countertops provide a sleek, high-end look with long-lasting performance.

SPECIFICATIONS

- Sheet Sizes: 144"x32", 120"x27" or 110"x53"
- Thickness: 17mm, 12mm (limited)
- Finish: Glossy Matte
- Pricing: Group 1 to Group 2

BENEFITS

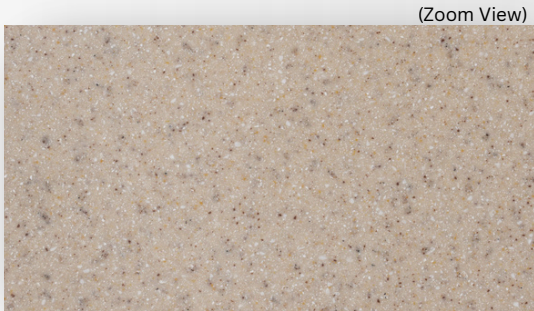

- Durable & Repairable: Minor damage can be easily buffed out.
- Seamless: Seams are non-conspicuous, unlike stone.
- Cost-Effective: Budget-friendly option for an upgrade look.
